

Teresa Meares Joins Cass as Vice President and General Manager of its Waste Expense Management Business

07/07/21

ST. LOUIS--(BUSINESS WIRE)--Jul. 7, 2021-- **Cass Information Systems, Inc. (Nasdaq: CASS)**, a leading global provider of transportation, energy, telecom and waste invoice payment and information services, has added **Teresa D. Meares** as vice president and general manager of its waste and sustainability management business based in Jacksonville, Florida.

This press release features multimedia. View the full release here: <https://www.businesswire.com/news/home/20210707005312/en/>

"We are delighted to welcome Teresa as a key member of the Cass executive team," stated Gary Langfitt, president of expense management services. "Her entrepreneurial spirit and leadership qualities are perfect for the challenges of expanding the sustainability focus of our industry-leading expense management solutions."

Meares joins Cass with more than 25 years of experience in various leadership positions. Most recently, she served as senior director of operations for FIS, a Fortune 500[®] global fintech company headquartered in Jacksonville. She is a past president of the Women Business Owners of North Florida, past chair of the National Association of Women Business Owners (NAWBO) and a previous company she founded was named a Top 50 Women Owned Business in Florida.

At Cass, Meares will seek to identify new industry partnership opportunities, expand product and service offerings, increase financial interchange, and drive revenue growth in this increasingly critical market.
